GENERAL POLICIES

All products published by Mvskoke Media have policies governing the content of paid advertising and Mvskoke Media has had them in place since 2016. The current policies represent a good faith effort to protect the integrity of these products, weed out inaccurate or false claims and ensure that readers have a high level of confidence in the truthfulness of statements contained in our digital and printed publications. The most recent update of those policies are as follows:

- Mvskoke Media will examine advertisements before publication to determine if they meet the standards of acceptability that Mvskoke Media has developed.
- Mvskoke Media reserves the right to decline any advertising that Mvskoke Media deems misleading, inaccurate or fraudulent; that makes unfair competitive claims; or that fails to comply with its standards of fairness, decency, and dignity.
- The advertiser will be notified if an advertisement contains statements or illustrations that are not deemed acceptable and that Mvskoke Media thinks should be changed or eliminated. Mvskoke Media will attempt to negotiate changes with the advertiser prior to the stated publication deadline; however, if changes cannot be negotiated, the advertisement will be declined by Mvskoke Media.
- Mvskoke Media maintains clear separation between editorial content and its advertisements. Accordingly, ads that include elements usually associated with Mvskoke Media editorial content will not be accepted (for example, but not limited to: 'Mvskoke News'-style headlines, bylines, news-style column arrangements, or typography). Additionally, Mvskoke Media reserves the right to label an advertisement with the word "advertisement" when, in its opinion, this is necessary to make clear the distinction between editorial content and advertising.
- Whenever, in the judgment of Mvskoke Media, the credibility of the advertiser has been impaired, Mvskoke Media shall have the right to require pre-payment in full by cash.
- Mvskoke Media is not bound by any terms or conditions, printed or otherwise, appearing on advertisers' forms or copy instructions when they conflict with the terms and conditions of Mvskoke Media rate cards, advertising agreements or policies.
- Agencies shall be held responsible for paying invoices for advertising placed by them, on their behalf or on the behalf of their clients. In lieu of agency liability, written communication must be provided by the advertiser assuming responsibility for payment.
- All advertising will require a signed agreement.
- Advertising agreements are confidential and shall not be disclosed to anyone other than the client.

MN may provide promotional advertising rates at specified times.

Customers wishing to utilize our design services must allow an additional 48 hours ahead of the deadline to work expeditiously with Mvskoke Creative to complete the ad before the deadline date.

For a list of deadlines, please consult our yearly submission form, our advertising pricing sheet for pricing information, and the MM subsidiaries form to find contact information for all the MM branches including graphics. Submissions must be made by 5 p.m. on the day of the deadline, or 72 hours prior to deadline for election ads. Forms are available upon request.

POLITICAL ADVERTISING

Mvskoke Media does not endorse candidates for political office. We do accept political advertising, as a business transaction, from all candidates, for any office. Any advertisement involving a political figure, party, campaign or a ballot issue, regardless of election time, is considered political. The following terms and conditions apply to all political advertisements.

- All political ads must be paid in full on or before the published deadline date.
- All political ads are subject to open rates only. No discounts are allowed. Refer to the policies for each media outlet.
- Political ads are subject to the same advertising policies and deadlines as any other advertisement placed with Mvskoke Media. Refer to the policies for each media outlet.
- Dates of runs are first come, first served.
- All political ads must include the following identifying information of the purchaser:
 - The name of the individual(s)
 - Entity or organization paying for the advertisement
 - Language indicating that the advertisement was ordered and paid for by that individual, entity, or organization
 - The business or residence address of that entity, organization or individual:

Ordered and Paid for by:
John Doe for District 1 Tribal Council
111 Nowhere Street
Any Town, OK 12345

- If the advertiser is not the candidate, the advertiser must include language indicating whether or not the advertisement was purchased with cooperation or prior consent of, or in consultation with or at the request or suggestion of any candidate, or any person or committee acting on behalf of any candidate:

Paid for by Jane Doe
111 Nowhere Street
Any Town, OK 12345
Authorized by John Doe for Tribal Council

Paid for by John Concerned Citizen
111 Nowhere Street
Any Town, OK 12345

This advertisement is paid for by a private citizen and was not authorized or approved by any political candidate or committee.

CHARITABLE ADS & SERVICES

Mvskoke Media offers a variety of paid advertising and services through its various outlets at humble and competitive rates. Per departmental policy, MM is consistent in charging customers within and outside the Muscogee (Creek) Nation in accordance with the rates published for each of these. We understand that there are many charitable outlets and events that may warrant promotional assistance. However, a large number of the program and departments seeking this promotion from MM are philanthropic in nature and our department has a limited amount of space, time and resources to accommodate all of them on an in-kind basis. We also believe that it is typically unfair to arbitrarily choose one charitable outlet over another for these contributions, especially without a formal process for making such a decision. As a member of the Muscogee (Creek) Nation community, MM wishes to establish such a process to set an explanatory and coherent way to make donations to an event or outlet of our choosing in a fair and respectful way. This will be done at set intervals throughout the year by setting metrics for the amount contributed by our department and rotating our selections of different charitable opportunities.

SELECTION

Donations to charitable opportunities will be chosen at MM discretion and no explanation will be issued regarding these selections. Meeting or speaking with MM prior to selection to discuss your requests does not guarantee selection. Once selected, the recipients will meet with MM to discuss terms of the contract and sign contract once both parties have agreed.

REQUEST

Request must be presented formally in writing explaining why the assistance is warranted, such as a shortage of funds or the significance/impact of the concept they hope to promote and sent to MM Project Specialist Chelsie Rich at: crich@mvskokemedia.com.

FREQUENCY

MM will offer this service once a fiscal quarter based on our workload and resources.

Fiscal quarters are as follows:

- Second Quarter — January, February and March
- Third Quarter — April, May and June
- Fourth Quarter — July, August and September
- First Quarter — October, November and December

NOTICE

Those planning to request a donation should ideally give MM two months notice for the best results by allowing our staff proper time to plan for the workload and generate a quality product. One-month notice will be the shortest time allowed and choices/amounts may be limited, as anytime shorter than this will not generate a quality package. Remember, MM may only choose one charitable ad/service per quarter so the earlier MM is contacted for consideration, the better. We do not prioritize our charitable ads and services recipients ahead of our clients, and need to assist clients who have paid for services and still need their items on a deadline. MM has the right to dismiss services if communication requirements and deadlines are not met.

AMOUNT

MM will donate up to \$1,000 worth of services/advertising based on the department pricing sheet, which is available upon request. The 10 percent discount usually given to MCN entities and Muscogee (Creek) citizens will not apply to this amount for charitable contributions from MM. All donations will require vocal and/or visual acknowledgement of MM sponsorship through the outlet sponsored and our department must verify the adequacy of this to match the services we provide.

OFFERINGS

Recipients may request certain services/advertising but final selections will be at MM discretion based on our workload and resources. All products and services donated will be entirely produced by MM using MM media personnel unless an outside vendor is needed to fulfill something not offered by our department. In this case, the request involving outsourcing will require MM approval and the vendor will be chosen by our department and paid for by the recipient of our contributions. All orders are locked in the day the order is placed unless otherwise agreed upon. Other products and services cannot be added at a later date.
